'80s & '90s Rewind at Bar.Yard from Christmas Eve to Day

Don't stop believin' — it goes on and on, and on, and on

Bar.Yard is giving you the final countdown. We want to wind back to the glam rock band of yore. We are dishing what your Christmas Eve bash is calling for. We're talking totally '80s head-banging! Flashback to the time where music spoke to us — when your gal or guy was Crazy for You, or the only Karma biting us was a Chameleon. Rock with us as we pour forgotten drinks and nod to 'nothing's gonna stop us now.'

It's about our backyard barbecue. Hang on, when we say late, we're stepping on the gas, fast-forwarding to the '90s. Mingle, hang around and enjoy the moment as we switch up the music and pass around irresistible canapés. We've got Kamado Joe ceramic grills on fire and two top-notch chefs manning the arena all night long. Think giant Canadian lobsters, jumbo river prawns, dry-aged Angus beef and barbecue boneless chicken. Dance, devour good food and do what makes you happy. That's our motto at Bar.Yard.

PRO TIP: Dress like the '80s to impress or live it up as a '90s icon. We're all waiting for that moment where we turn and go 'here comes the hotstepper' y'all.
