

# Bloom Your day

## Transform someone's day with a bountiful of blooms!

Fresh florals that are fallen into the hands of our expert florists at Kimpton Maa-Lai Bangkok transform into memorable bouquets, stunning baskets and artistic works of art. While you can let our florists select the latest blooms, you have the full opportunity to add your creative touch.

Personalize it by handpicking the color palette, type of flower(s), decorative style and so much more.
